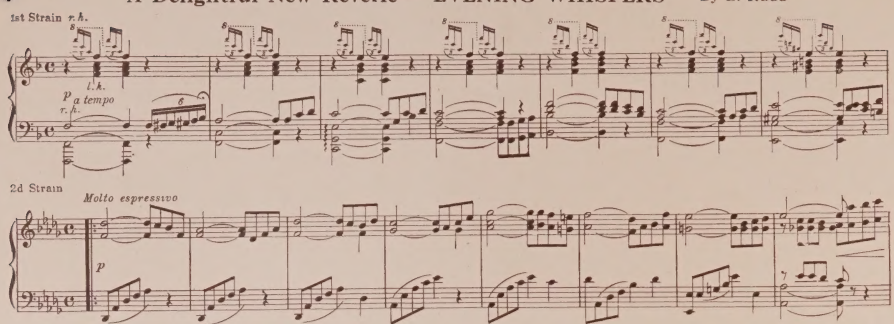
A Delightful New Reverie—"EVENING WHISPERS" By L. Rudd



Evening Whispers is undoubtedly the most pleasing Reverie on the market; and deservedly so for three reasons: First, because it is so strikingly original and different from the vast majority of Reveries; second, because the brilliant arrangement in reality is fascinating in simplicity, and can be played with perfect ease; third, because it contains such an abundance of variety that one never tires of hearing it. A complete copy of "EVENING WHISPERS" will add greatly to your collection of "good things."
